The Complete Edging Solution

Adhesives

# EDGE BOND

## Adhesives

Consolidated Veneers offers a selective range of high quality **Adhesives** essential to compliment our extensive range of edging materials and timber veneer sheets.

Our **EDGE BOND Adhesives** range has been developed in conjunction with our suppliers, customers and years of industry experience and has resulted in wide acceptance of the products in the marketplace and recommendations from machinery manufacturers.

As well as selling adhesives, Consolidated Veneers also use a variety of items from our **EDGE BOND Adhesives** range in the manufacturing of our quality finished products.

We invite you to rely upon the quality of products in our range, just as we do.

## The Range at a Glance

### Granulated Edgebanding Hotmelts:

**EDGE BOND** - general purpose granulated hotmelts for use in most edgebanding machines.

### Cartridge Edgebanding Hotmelts:

**EDGE BOND** - general purpose cartridge hotmelts specifically designed for use in HOLZ-HER™ edgebanding machines.
